

California Department of Fish and Game Seasonal Job Bulletin

Position: Fish & Wildlife Scientific Aid

Term: Temporary/Limited Term (2 positions)

Hours: Full or part-time, flexible (within M-F/8am-5pm)

Salary: \$11.58 per hour

Location: Sacramento

Final Filing Date: Until filled

Starting Date: Immediately

Duties:

Catalog and process heads taken from Chinook salmon sampled in California ocean salmon fisheries, Central Valley carcass and creel surveys, and at state anadromous fish hatcheries. Read and archive coded-wire tags (CWTs) retrieved from salmon heads. Provide assistance with data entry and verification of CWT reads, and with documenting the distribution of head tags, maintaining inventories of recovered heads, managing cold storage of recovered heads, and arranging for rendering of processed heads. Track and prepare purchasing documents for supplies and equipment, and maintain the laboratory and its equipment.

Minimum Qualifications:

Equivalent to completion of two years of college with a minimum of 10 semester hours in biological and/or chemistry sciences.

or

One year of experience in surveying, studying or evaluating fish or wildlife populations, data, habitats or users, or working in a chemistry laboratory.

and

Possession of a valid driver's license.

Additional Desirable Qualifications:

Interest in fisheries or wildlife conservation and management issues. Good lab skills. Aptitude for detail; good organizational skills; personal initiative and the ability to work independently. Familiarity with Microsoft applications.
